March 10, 2017

In response to RFAI letter of March 8, 2017 referencing October Quarterly Report, we submitted a preemptive response on July 18, 2016 regarding the 24-hour report which was originally filed on the 7/16/2016 at 9:05 am - within the proper time guideline for the 24 hour filing requirement. However, an email confirmation was never received but the pop-up stated that the filing had been accepted. The RFAI letter acknowledges this as well. On March 10, I spoke with Don Michael - FEC Analyst, who also confirmed this but advised me to still submit a response even if it stated the same reasons as the previous preemptive response.
Thank you very much.
